Ladies and gentlemen, on behalf of the members of the Major General (MG) Harry Greene, Aberdeen Chapter of the Association of the United States Army (AUSA) I welcome you to tonight's gala supporting the Fisher House Foundation. The Fisher Houses provide military families housing close to a loved one during hospitalization for an illness, disease or injury. Our mission tonight is clear: continue to demonstrate our commitment to the Foundation as they provide needed support to our wounded service members, Veterans, and their families by raising funds to support their efforts.

Thank you again for joining us tonight and many thanks for supporting our nation's wounded heroes and their families. I especially thank our corporate, military and government supporters.

A special thanks goes out to our very dedicated volunteers. The time and effort that they put into making this event a success is truly "from the heart." So, to them, we extend our most heartfelt thanks.

Planning for tonight's gala began almost immediately after last year's event. The same will happen for our gala in 2020.

Thank you again for joining us tonight. We have a fun-filled night in store for you so please enjoy this evening's Masquerade Ball.

Colonel, U.S. Army (Retired) President,
Major General Harry Greene, Aberdeen Chapter of AUSA

A Fisher House is “a home away from home” for families of patients receiving medical care at major military and VA medical centers. The homes are normally located within walking distance of the treatment facility or have transportation available. There are 84 Fisher Houses located on 25 military installations and 35 VA medical centers. Many more houses are under construction or in design. Typically, the houses are 5,000 to 16,800 square foot homes donated by the Fisher family and Fisher House Foundation. Each house is designed to provide 8 to 21 suites. All are professionally furnished and decorated in the tone and style of the local region. The houses can accommodate 16 to 42 family members. They feature a common kitchen, laundry facilities, spacious dining room and an inviting living room with library and toys for children. Newest houses are 100% handicap accessible and include elevators. A Fisher House is a temporary residence and is not a treatment facility, hospice or counseling center. The program began in 1990, and has offered more than 8 million days of lodging to more than 350,000 families.

Fisher House Foundation ensures that there is never a lodging fee. Since inception, the program has saved military and veterans’ families over \$451 million in out of pocket costs for lodging and transportation. Over 335,000 families have stayed at a Fisher House since 1990, and that number continues to grow each year as Fisher House Foundation builds new houses at VA and military medical centers with the greatest need.

Fisher House Foundation also operates the Hero Miles program, using donated frequent flyer miles to bring family members to the bedside of injured service members. Thanks to your generosity, we have provided more than 70,000 tickets to wounded, injured, and ill service members and their families, worth over

\$105 million. The Hotels for Heroes program uses donated hotel points to allow family members to stay at hotels near medical centers without charge. The Foundation also manages a grant program that supports other military charities and scholarship funds for military children, spouses and children of fallen and disabled veterans with over \$24 million awarded to date.

The Perry Point VA Medical Center, a division of the VA Maryland Health Care System, is one of 18 sites selected nationwide for construction of a future Fisher House. "Having a Fisher House on our Perry Point campus fits in perfectly with our model of patient- and-family-centered care," said Dr. Adam M. Robinson, director of the VA Maryland Health Care System. "The new Fisher House will be available to family members and caregivers of veterans receiving care at the Baltimore and Perry Point VA Medical Centers, and the Loch Raven VA Community Living & Rehabilitation Center."

BAE SYSTEMS

This small table ...

... honors the many members of our armed forces – our heroes -- who answered the call of duty but were unable to return home. It is deliberately placed before our nation's colors as a special place of honor.

... symbolizes the presence of their loving spirit; they will never be forgotten.

... is set and reserved for one to honor each of our missing and fallen loved ones.

... is round to represent the everlasting concern for those missing and fallen comrades.

The white tablecloth... symbolizes the purity of our heroes' intention to respond to their country's call to arms.

The single red rose... reminds us of the life and love of each hero and the sacrifices that they made for this country.

The yellow ribbon... tied so prominently on the vase, symbolizes remembrance for the families and loved ones who keep the memories of our brothers and sisters alive.

The solitary candle... stands proud, straight, and tall ... just like our comrades and symbolizes the ultimate sacrifice that our fallen comrades and their families have made to preserve our precious freedom.

The slice of lemon on the plate... reminds us of their bitter fate.

The salt upon the table... symbolizes the tears shed by families as they have endured the sorrow of their loved ones' fate.

The inverted glass... symbolizes that our heroes are with us in spirit but cannot raise a glass to toast with us tonight.

The chair... leans forward against the table and represents a reserved space for each of our heroes.

Please take a moment this evening to remember these brave men and women who have made "the ultimate sacrifice."

We also ask that you keep their families and loved ones in mind tonight as we continue our cause to support the Fisher House Foundation's mission to provide a "home away from home" for military families so that they can be near their loved ones during hospitalizations for illness, disease, or injury.

Thank you for your support!

Sincerely,

*The Board Members of AUSA Major General Harry Greene, Aberdeen Chapter
