## ABOUT THE FISHER HOUSE FOUNDATION

---

Fisher House Foundation is best known for a network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving critical care and for 26 years has supported the total military family.

There are 71 homes located at major military and VA medical centers nationwide, close to the medical center or hospital they serve. Fisher Houses have up to 21 suites, with private bedrooms and baths. Families share a common kitchen, laundry facilities, a warm dining room and an inviting living room. Fisher House Foundation ensures that there is never a lodging fee. Since inception, the program has saved military and veterans' families an estimated \$320 million in out of pocket costs for lodging and transportation. Over 27,000 families stayed at a Fisher House last year, and that number continues to grow each year as Fisher House Foundation builds new houses at VA and military medical centers with the greatest need.

Fisher House Foundation also operates the Hero Miles program, using donated frequent flyer miles to bring family members to the bedside of injured service members, as well as the Hotels for Heroes program using donated hotel points to allow family members to stay at hotels near medical centers without charge. The Foundation also manages a grant program that supports other military charities and scholarship funds for military children, spouses and children of fallen and disabled veterans.

For more information about the Fisher House Foundation, please visit [www.fisherhouse.org](http://www.fisherhouse.org).

# WELCOME

---

**On behalf of Major General Harry Greene, Aberdeen Chapter of AUSA,  
Welcome!**

We cannot thank you enough for joining us this evening. Our mission is clear: continue to demonstrate our commitment and provide care to our wounded service members and their families by raising funds to support the Fisher House Foundation.

Tonight's gala is our twelfth annual fundraiser and our theme is "Monte Carlo." We have a fun-filled night in store for you! We hope you enjoy our cadre of lounge singers and entertainers while enjoying casino style food and drinks. Enjoy the gaming tables and comradery and later in the evening take the opportunity to participate in tonight's live auction and basket drawings, enjoy the entertainment and take time to listen to the program.

Any of our committee members will be happy to talk to you about supporting our fundraising efforts for the Fisher House Foundation. There are so many ways to assist this amazing organization -- whether it is a bake sale, a 5K run or a concert in the park.

Thanks again to each and every one of you for joining us tonight and many thanks for supporting our nation's wounded heroes and their families. I especially want to thank our corporate, military and government supporters as well as our very special volunteers. The effort they put into making this event a success is truly "from the heart." So to them, we extend our most heartfelt thanks.

Enjoy this evening's festivities!

## FALLEN HEROES TABLE

This small table ...

- ... honors the many members of our armed forces – our heroes -- who answered the call of duty but were unable to return home. It is deliberately placed before our nation's colors as a special place of honor.
- ... symbolizes the presence of their loving spirit; they will never be forgotten.
- ... is set and reserved for one to honor each of our missing and fallen loved ones.
- ... is round to represent the everlasting concern for those missing and fallen comrades.

The white tablecloth ... symbolizes the purity of our heroes' intention to respond to their country's call to arms.

The single red rose ... reminds us of the life and love of each hero and the sacrifices that they made for this country.

# JONES for a Lifetime<sup>®</sup>

NISSAN Commercial Vehicles

HYUNDAI

The yellow ribbon ... tied so prominently on the vase, symbolizes remembrance for the families and loved ones who keep the memories of our brothers and sisters alive.

The solitary candle ... stands proud, straight, and tall ... just like our comrades and symbolizes the ultimate sacrifice that our fallen comrades and their families have made to preserve our precious freedom.

The slice of lemon on the plate ... reminds us of their bitter fate.

The salt upon the table ... symbolizes the tears shed by families as they have endured the sorrow of their loved ones' fate.

The inverted glass ... symbolizes that our heroes are with us in spirit but cannot raise a glass to toast with us tonight.

The chair ... leans forward against the table and represents a reserved space for each of our heroes.

Please take a moment this evening to remember these brave men and women who have made "the ultimate sacrifice."

We also ask that you keep their families and loved ones in mind tonight as we continue our cause to support the Fisher House Foundation's mission to provide a "home away from home" for military families so that they can be near their loved ones during hospitalizations for illness, disease, or injury.

Thank you for your support!

Sincerely,
