ABOUT THE FISHER HOUSE FOUNDATION

Fisher House Foundation is best known for a network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving critical care.

These homes are located at major military and VA medical centers nationwide, close to the medical center or hospital they serve. Fisher Houses have up to 21 suites, with private bedrooms and baths. Families share a common kitchen, laundry facilities, a warm dining room and an inviting living room. Fisher House Foundation ensures that there is never a lodging fee. Since inception, the program has saved military and veterans' families an estimated \$235 million in out of pocket costs for lodging and transportation. Over 22,000 families stayed at a Fisher House last year, and that number continues to grow each year as Fisher House Foundation builds new houses at VA and military medical centers with the greatest need.

Fisher House Foundation also operates the Hero Miles program, using donated frequent flyer miles to bring family members to the bedside of injured service members, as well as the Hotels for Heroes program using donated hotel points to allow family members to stay at hotels near medical centers without charge. The Foundation also manages a grant program that supports other military charities and scholarship funds for military children, spouses and children of fallen and disabled veterans.

For more information about the Fisher House Foundation, please visit www.fisherhouse.org.

WELCOME

Welcome to the 10th Annual Support Our Heroes Gala!

On behalf of Chesapeake Support Our Heroes, Welcome! And thank you for joining us this evening. Our mission is simple: demonstrate our commitment and provide care to our wounded service members and their families by raising funds to support the Fisher House Foundation.

Tonight's gala is our tenth annual fundraiser and our theme is "A World of Care." We are taking this opportunity to highlight five of the many areas of the world where Fisher House Foundation provides support to our military and their families.

We have a fun-filled night in store for you! Have your Passport stamped at each of our stations (Texas, Germany, Deep South, Mid-Atlantic, United Kingdom, Heartland, and Western USA), while enjoying food and drinks typical of those area. There are pictures and information about the Fisher House facilities and services provided in each region.

Take the opportunity to participate in tonight's traditional and silent auctions, enjoy the entertainment and take time to listen to the program.

Any of our committee members will be happy to talk to you about supporting our fundraising efforts for the Fisher House Foundation. There are so many ways to assist -- whether it is a bake sale, a 5K run or a concert in the park. Some of this year's fundraisers included Olivia's Lemonade Stand and the local Lion's Club "Cycling for Heroes."

I would like to take this moment to mention Diane Carnes and MG Harry Greene. They both steadfastly supported our efforts on behalf of the Fisher House Foundation during the last decade. Diane was one of the "Founding Mothers" of our gala and MG Greene was always there to support us in our efforts. It's easy to believe they are smiling with us tonight as we come together yet again to support their beloved Fisher House Foundation.

WELCOME

Thanks again to each and every one of you for joining us tonight and many thanks for supporting our nation's wounded heroes and their families. I especially want to thank our corporate, military and government supporters as well as our very special volunteers. The effort they put into making this event a success is truly "from the heart." So to them I extend our most heartfelt thanks.

Enjoy this evening's festivities!

MAJOR GENERAL HAROLD “HARRY” J. GREENE

Born on February 11, 1959 in Boston, Massachusetts, Harry grew up in New England and Guilderland, New York. Harry was commissioned at Rensselaer Polytechnic Institute as a Second Lieutenant in the U.S. Army Corps of Engineers in 1980. Major General Greene was a graduate of Guilderland High School, held a Bachelor of Science from Rensselaer Polytechnic Institute and Master's in Engineering from both

Rensselaer Polytechnic Institute and the University of Southern California. He also earned a Masters of Strategic Studies from the U.S. Army War College and a Ph.D. in Materials Engineering from the University of Southern California.

His earliest assignments included Platoon Leader, Intelligence Officer, Executive Officer, and Assistant Operations Officer, 588th Engineer Battalion at Fort Polk, Louisiana. Before attending the Engineer Officer Advanced Course, he commanded C Company, 547th Engineer Battalion, V Corps, U.S. Army, Europe and Seventh Army, Germany. His acquisition experience began as Product Manager, Aerial Common Sensor, in the Program Executive Office Intelligence, Electronic Warfare and Sensors, Fort Monmouth, New Jersey. After Product Manager, he served as Assistant Director for Acquisition, Combat Developments Directorate, U.S. Army Maneuver Support Center, Fort Leonard Wood, Missouri, and then attended the U.S. Army War College at Carlisle Barracks, Pennsylvania. Major General Greene was selected as Project Manager, Battle Command, Program Executive Office Command, Control, and Communication-Tactical, Fort Monmouth, New Jersey. He next served in consecutive Pentagon assignments as the Director, Battle Command Division, Office of the Assistant Secretary of the Army (Acquisition, Logistics and Technology) and then as the Director of Material, Office of the Deputy Chief of Staff, G-8, Washington, DC. Following his Pentagon assignments, he served as Program Executive Officer Intelligence,

MAJOR GENERAL HAROLD “HARRY” J. GREENE

Electronic Warfare and Sensors at Aberdeen Proving Grounds, Maryland. His most recent assignment before deploying was as the Deputy for Acquisition and Systems Management, Office of the Assistant Secretary of the Army (Acquisition, Logistics and Technology). Major General Greene assumed duty as the Deputy Commanding General, Combined Security Transition Command-Afghanistan on 14 January 2014.

Major General Greene's awards and decorations included the Distinguished Service Medal with oak leaf cluster, the Legion of Merit with three oak leaf clusters, the Bronze Star, the Purple Heart, the Meritorious Service Medal with five oak leaf clusters, the Army Commendation Medal with three oak leaf clusters, the Army Achievement Medal, Combat Action Badge, and the Army Staff Identification Badge.

Harry was a registered Professional Engineer in the Commonwealth of Virginia. In January 2014, Harry and Susan celebrated 29 years of marriage. They loved to travel, frequently visiting family and friends. He was an avid New England sports fan. Harry truly loved coaching youth sports, supporting scouting activities, and photography.

Major General Greene is survived by his wife, Colonel (Retired) Susan Myers, Ph.D; his daughter, his son, U.S.Army First Lieutenant Matthew Joseph Myers Greene; Ms. Amelia Carolyn Myers Greene; his daughter-in-law, Ms. Kasandra Greene; his father, Mr. Harold Greene; and his brothers, Mr. Jonathan Greene and Mr. Steven Greene. Major General Greene was preceded in death by his mother, Mrs. Eva Greene.

DIANE ROSE WHINFIELD CARNES

Diane Carnes passed away peacefully at home on August 14th and both the Monmouth and Aberdeen Proving Ground will miss her. She served as the Treasurer of the Fort Monmouth Chapter of AFCEA (Armed Forces Communications Electronics Association) for 25 years and was the Registrar for the AFCEA Monthly Luncheons at Gibbs Hall as well as Registrar of the Annual C4ISR Symposium and the State of CECOM annual luncheon. Her numerous citations and awards from AFCEA included AFCEAN of the Year, AFCEAN of the Quarter and the Dandelion Award. She also served on the Board of the AUSA (Association of the United States Army) Fort Monmouth Chapter as Editor of the quarterly newsletter.

Diane was a founding committee member of the Fort Monmouth "Support Our Heroes" Gala, a fund raiser for The Fisher House Foundation, Inc., for which this gala has become part of that tradition, serving as Registrar and event planning.

Diane was awarded the Silver Wahatchee from the Signal Corps Regimental Association for her years of service to the United States Signal Corps. She served on the committee of the annual Field Artillery St. Barbara's Day Dinner Dance and is a recipient of the Molly Pitcher Award for her countless hours of dedication to the association.

A Disney fan, Diane happily traversed the parks at Walt Disney World on yearly vacations enjoying her favorite rides: Space Mountain, Splash Mountain and Rock 'n' Roller Coaster.

DIANE ROSE WHINFIELD CARNES

Diane loved her days at the beach as a member of Driftwood Cabana Club (Cabana 224) in Sea Bright, NJ, counting the days to Beach Club Opening. She enjoyed planning the menus for weekend dinners at the Cabana, surrounded by her friends and family.

Diane enjoyed her regular “Jersey Girl” lunches, sadly less and less often as the Fort Monmouth BRAC was implemented and the Jersey Girls relocated and retired.

Diane leaves, her husband Edward L. Carnes, and her children, Phil and his wife Rachel Carnes, Tinton Falls, Susan and her husband Hugh Bremmer, Howell, NJ and Eddie Carnes, Tinton Falls and her adored grandsons, Stevie Bremmer and Seamus Carnes. Diane was lovingly assisted by her family, her friends and the staff of St. Barnabas Hospice.

Everyone will remember Diane’s smile and quick wit, but most of all, her willingness to help and the countless hours of volunteer time to help the community, military and civilian, grow together.

FALLEN HERO TABLE

This small table ...

- ... honors the many members of our armed forces – our heroes -- who answered the call of duty but were unable to return home. It is deliberately placed before our nation's colors as a special place of honor.
- ... symbolizes the presence of their loving spirit; they will never be forgotten.
- ... is set and reserved for one to honor each of our missing and fallen loved ones.
- ... is round to represent the everlasting concern for those missing and fallen comrades.

The white tablecloth ... symbolizes the purity of our heroes' intention to respond to their country's call to arms.

The single red rose ... reminds us of the life and love of each hero and the sacrifices that they made for this country.

The yellow ribbon ... tied so prominently on the vase, symbolizes remembrance for the families and loved ones who keep the memories of our brothers and sisters alive.

FALLEN HERO TABLE

The solitary candle ... stands proud, straight, and tall ... just like our comrades and symbolizes the ultimate sacrifice that our fallen comrades and their families have made to preserve our precious freedom.

The slice of lemon on the plate ... reminds us of their bitter fate.

The salt upon the table ... symbolizes the tears shed by families as they have endured the sorrow of their loved ones' fate.

The inverted glass ... symbolizes that our heroes are with us in spirit but cannot raise a glass to toast with us tonight.

The chair ... leans forward against the table and represents a reserved space for each of our heroes.

Please take a moment this evening to remember these brave men and women who have made "the ultimate sacrifice."

We also ask that you keep their families and loved ones in mind tonight as we continue our cause to support the Fisher House Foundation's mission to provide a "home away from home" for military families so that they can be near their loved ones during hospitalizations for illness, disease, or injury.

Thank you for your support!

Sincerely,

The Board Members of Chesapeake Support Our Heroes

MEET & GREET WITH THE ARTISTS

LINNEA TOBER

JUSTIN WOYTOWITZ

Justin is a largely self taught oil painter. The freshness of painting on location and within the time restriction of plein air, gives energy to a piece that cannot be captured in the studio. Justin's work is characterized by energetic brush strokes giving movement and life to his paintings.
